The removal of parcel #012934 will not have impacts on EH' previous comments. There are no issues to address provided set backs are met with any future building.

The link below leads to an updated version of the Knotts parcel combination. The applicant wishes to remove one parcel from the combination and adjust that one with a future land use action. Please let me know if the change causes any problems for approval.

CB-17-00002 Knotts
