I have contacted the owners and have them working on it. The taxes typically take a day or 2 to post as paid and will contact you back when paid.

Chris,

I have taken a second look at this one for everything on my end, i.e. zoning, critical areas, and it looks good. I am cc'ing Public Works, Environmental Health, Kittitas Reclamation, and the Fire Marshall's office, and if I hear no objections the Final will be dated for tomorrow and going out at that time.

Thanks,
