Dusty, I will be looking at this tomorrow.
Thanks for your patience…I was sick and then in the field, so am now catching up! ☺

Karen,

I will likely be finishing and issuing this exemption soon, but I wanted to make you aware of the application, since it is on the floodplain and will require a floodplain permit. If there are any SMP issues you can think of, please let me know.

Thanks!

SX-17-00001 Staiffer
