Dusty, I just talked to the Raybons and they can sign off on the application tomorrow...I'll probably bring it in Friday. So no more fees right?

Jim

Jim,

We're most likely not doing an HPA, so that should not be necessary. The application needs the lat/long coordinates, which I was able to look up on Google Earth. Those are 47.209044, -121.083730. Otherwise, it looks good.

Thanks,

Hi Dusty, Can you look this over before I print and have the owners sign. Also, Do we need the $150 fee to WDFW requested in section 10?

That should do. Once we have the JARPA, I can deem this one complete and get the comment period

rolling.

Thanks,

Hi Dusty, Take a look and let me know if this will meet the site plan/profile need. There are two pages.

Mr. Miller,
Attached is a version of the JARPA, with some comments that should help in obtaining the needed information. Thank you for your time,
