STUDY SESSION MINUTES

January 6, 2003

THOSE PRESENT: Max Golladay, Perry Huston, Paul Bennett, Kelly Carlson

IRRIGATION ON VANTAGE HWY: Max asked Paul about any codes restricting the sprinkling of water on the roadway. Paul thought there was something in the code that restricts this so he will research.

RECEPTIONIST HIRE: Paul stated that to fill the vacancy in the receptionist seat would not impact the budget and it was looked at to ensure the necessity for this position. The BOCC approved to fill the vacancy and will let Paul make the call as to when to advertise.
