on comparisons on traffic collisions.
Comp. on corridors + statewide
figures. Factors on corridors
volume gone up 17%. Brian-
Safety corridors policy on rural safety.
took info on co. roads + made data
from there. Looking @ Kuttidas Hwy +
Vantage Hwy. Comparison chart,
accidental crash, How implement
peoples disregard for attention in traffic
safety. Produce ways to increase police
awareness. Signage. Time limited
Planning for 1 year.

Inter-local agreement. Not a lot of
contracting conducted informally.
Most effective tool kit.
how cost. Canyon was enforcement
+ signage. Education can change.
Public awareness can be increase
change. M- dont have problem looking
@ it if Paul + Gene have time. ~~What~~
talked about other counties that put group
together about identifying other haz. rds.
Main contact person. When pull group
together? Proceed w/ getting things
together. Involve property owners.
