APPEAL HEARING

DONALD SORENSON BLA APPEAL

CDS

At 1:30 p.m. Vice-Chairman Crankovich opened a continued hearing from November 30, 2006 to consider an appeal from James T. Denison on behalf of Donald Sorenson (landowner) of an administrative decision of the Community Development Services Department denial of a request for parcel segregation and boundary line adjustment (BLA-06-109) of Tax Parcel Number 17-18-04030-0035.

He explained that Chairman Bowen had to leave and requested consideration of a continuance if both parties were in agreement of it. There were no objections to continue the hearing.

Commissioner Huston made his declaration indicating that he had reviewed the record and is caught up to speed. He noted that he has had no outside contact and that he had spoken only with Commissioner Bowen when Commissioner Bowen indicated that he was not going to be able to make the hearing. He explained that at the time Commissioner Bowen questioned how he could partake in the hearing. Commissioner Huston explained that he would listen to the recordings from the past hearing, noting that the method was supported by law and had been used in past practices. He explained that he has listened to the hearing and submitted the copy he listened to into the record so that if anyone was interested in hearing what he heard they could. He indicated that he had his file reviewed by staff to be sure he had all the documents in it that have been submitted to date, noting that he had reviewed those documents and is confident he has full understanding of the record. There were no objections to Commissioner Huston remaining seated.

Commissioner Crankovich moved to continue the appeal hearing to December 13, 2006 at 3:30 p.m. in the Commissioners Auditorium, Room 109, Kittitas County Courthouse 205 West 5th, Ellensburg WA. Commissioner Huston seconded. Motion carried 2-0.

Meeting adjourned at 1:37 p.m.
