## Study Session Minutes June 14th, 2007

**Those Present:** Al Crankovich, Dave Bowen, Mark McClain, Patti Johnson and Lisa Bach

**\*\*Solid Waste Update:** Patti presented the board with a period end production analysis report. This report shows the different commodities accepted at the Counties facilities. In May the Transfer Stations received 3456.50 tons of garbage and serviced 10,176 customers.

**Board Direction:** None

**\*\*Litter Contract with Department of Corrections:** Currently Solid Waste has two contracts with the Department of Corrections for litter pick up that expire July 1<sup>st</sup>, 2007. The first is grant specific and will not be renewed since Solid Waste has started a litter crew through the grant. The second is an overall contract that allows the County to use their services on an on call basis at \$250.00 a day. There is no cost to the County if their services are not needed.

**Board Direction:** Leave the overall contract in place.

**\*\*Future Waste Disposal Options:** Currently Solid Waste has a contract with Waste Management for garbage disposal through 2010. The County will go out to bid in 2009 and review all disposal options.

**Board Direction: Continue to look at future disposal options**

**\*\*Other:** None

**Board Direction: None**
