

## KITTITAS COUNTY DEPARTMENT OF PUBLIC WORKS

---

### STUDY SESSION MINUTES October 8, 2007

**THOSE PRESENT:** Alan Crankovich, Mark McClain, David Bowen, Darryl Piercy (CDS), Mandy Weed (CDS), Allison Kimball (CDS), Jim Van de Venter (DPW), Kelly Carlson (DPW).

**GUESTS PRESENT:** Noah Goodrich, Catherine Dunn

**TRAP & SKEET BILLING:** Kelly Carlson (DPW) stated that the Airport had received a billing form the County's Risk Pool in the amount of \$2,149.90. This billing is for the adjuster that was hired by us to investigate the Hobart Machined Products claim. Kelly asked the BOCC if they would like to bill the Trap & Skeet for this or find some funds in the Airport budget to cover it.

**Board Direction:** **Bocc directed staff to pay the invoice out of the Airport Fund.**

**BOWERS ROAD/SKIP LEBO:** Jim Van de Venter was present to speak on this and gave the BOCC the background of the claims in Mr. Lebo's letter. Commissioner Bowen asked if we had done everything within the specifications of the project? Jim stated that he had not seen the specifications.

**Board Direction:** **Directed Staff to review the specs to be sure we have done everything within them and that we have done what we need to ethically do.**

Meeting adjourned at 2:08p.m.

Brandon Drexler  
Public Works Director
