| TOPIC: | Barry's Travel Authorization |
| DISCUSSION: | <p>Brenda presented a travel authorization for Barry who was accepted to the National Fire Academy she explained what a prestigious honor this is. She explained that they have offered to pay for the training and that its in Emmitsburg, MD from 3/23/2009 – 4/4/2009,</p> <p>Brenda asked if she had approval to move upstairs once the Environmental Health Dept was completely out.</p> <p>The Board asked Brenda if she was still wanting to not have a car to take home. She indicated that since there is one car if there was a fire Barry would have to come get her and then they would head to the fire. She felt it made more sense to keep the car at the office since that's a central location.</p> |

Commissioner Crankovich seconded. Motion carried 3-0.</p> |
