**DISCUSSION**

**POOL CARS**

**COMMISSIONERS**

The Board discussed the use of Pool Cars and the issues of staff booking the cars and getting them checked back in by the time specified. They discussed that while the current car pool sign up is convenient it is not user friendly as far as being able to adjust/extend the information after the booking has been done. Commissioner McClain moved to move the Silver Ford Escape into the Commissioners budget as a new line item for fuel and transfer dollars over to Commissioners Office noting that there was to be no increase's in the budget just a line transfer and to also direct the Auditor's Office to prepare enabling documents. Commissioner Jewell seconded. Motion carried 3-0.

Commissioner McClain reviewed a request from the Governor to lower the flag for a person who was killed in Spokane at the Community College bowling alley. He explained that he was raising the question because well it's a terrible situation at the same time we had a local law enforcement officer die and the governor declined our request to do a state wide flag lowering. He felt that we should seek explanation. After discussion, the Board declined seeking further information on this issue.

Meeting adjourned at approximately 9:35 a.m.
