**DEPARTMENT HEAD:** Marsha Weyand

**OTHERS PRESENT:** Mandy Robinson, Deputy Clerk of the Board; Judy Pless, Finance Manager (Auditor)

<b>TOPIC:</b>	Implicit Price Deflator (IPD) which affects banked capacity
<b>DISCUSSION:</b>	Marsha indicated that the IPD has fallen below 1% and she needed to ask the Board if they wanted to protect the banked capacity or not. She explained that different consequences that come with protecting it as well as the consequences of not protecting it. She explained that the County can only take a certain percentage of the banked capacity, and said that If the Board decides to protect it, it does not affect the levy we get now. Judy indicated that we could do a resolution, but that does not mean we are going to take it.
<b>ACTION:</b>	<b>The Board determined they would not have a resolution drafted to protect the IPD, and they would not be taking the 1% banked capacity.</b>
