PUBLIC HEARING

SCHOOL ZONE SR 903

PUBLIC WORKS

At 2:35 p.m. **Chairman McClain** opened the public hearing to consider establishment of a school speed zone on SR 903 bordering the Cle Elum-Roslyn Schools.

Commissioner Crankovich said this school zone came up because Upper County District Court Judge expressed a concern that the County had not established the school zone. The school zone signs had been placed by the WA ST Department of Transportation.

Jan Ollivier said they had discussed the possibility of expanding the school zone but WSDOT said it would cost \$5,000 to move the existing signs. Cle Elum-Roslyn School District would like to expand them but does not have the funds to do so.

Chairman McClain asked if the mileposts listed in the Resolution were the existing school zone. **Ms. Ollivier** said they were.
