DEPARTMENT HEAD

UPPER DISTRICT CT

Linda Childs, Upper District Court Administrator, provided copies of a Professional Services Agreement she would like the Board to consider. She explained N-Court would take the place of their current collection system and provide cost and time savings to the County. She gave an overview of how the current system works and what the difference's would be. She explained the convenience of this system versus the present one. Ms. Childs indicated that the Prosecutor's Office had reviewed the language of the PSA and has approved it. Ms. Childs indicated that there would be no cost to the County as the fee's associated with the payment system pay for the vendor costs and the Court will receive full payments. She also indicated that Lower District Court and Superior Court Clerk would like to move to this vendor as well.

The Board was supportive of Ms. Childs request but directed her to check with (IS) prior to putting it on the Agenda for Board consideration. Once they have given it the okay, then bring it forward to the next Agenda session.
