Commissioner Jewell asked Ms. Panattoni to come back on Monday September 19, 2011 for a follow up discussion. He asked for additional time to review the materials. He explained that he would also like the Auditor to look over the proposal and confirm the financial information being presented. He explained that they have been making it mandatory for new positions etc., to be tied to specific funding sources, reminding her that if the funding goes away the promotion would as well.
