II. Washington State tax law states that if a jurisdiction has adopted a Comprehensive Plan then applications for open space shall be acted upon in the same manner in which an amendment to the comprehensive plan is processed.

III. Adverse testimony was not given on this proposal.

IV. Based on the information provided by the proponent and the record established through the review process, the request meets the established criteria for open space taxation.
D. Circle N LLC, Daniel Nelson, Managing Member - Open Space Classification

On January 2, 2007 the Board of County Commissioners transmitted an open space application from Circle N LLC in care of Daniel Nelson, Managing Member to Kittitas County Community Development Services to be placed on the docket for the annual amendment. The Board of County Commissioners held a public hearing on December 18, 2007 and approved the request with a 3-0 vote finding that:

I. Circle N LLC in care of Daniel Nelson, Managing Member submitted a request for open space tax classification on December 28, 2006. This application was transmitted on January 2, 2007 from the Board of County Commissioners to Community Development Services.
II. Washington State tax law states that if a jurisdiction has adopted a Comprehensive Plan then applications for open space shall be acted upon in the same manner in which an amendment to the comprehensive plan is processed.
III. Adverse testimony was not given on this proposal.
IV. Based on the information provided by the proponent and the record established through the review process, the request meets the established criteria for open space taxation.

E. Moe/Nisbet- Open Space Classification

On January 2, 2007 the Board of County Commissioners transmitted an open space application from Stephen Moe, for Moe/Nisbet to Kittitas County Community Development Services to be placed on the docket for the annual amendment. The Board of County Commissioners held a public hearing on December 18th, 2007 and approved the request with a 3-0 vote finding that:

I. Stephen Moe, for Moe/Nisbet submitted a request for open space tax on December 28, 2006. This application was transmitted on January 2, 2007 from the Board of County Commissioners to Community Development Services.
II. Washington State tax law states that if a jurisdiction has adopted a Comprehensive Plan then applications for open space shall be acted upon in the same manner in which an amendment to the comprehensive plan is processed.
III. Adverse testimony was not given on this proposal.
IV. Based on the information provided by the proponent and the record established through the review process, the request meets the established criteria for open space taxation.

I. Paul Lyman and Matt Coe submitted a request for open space tax classification on February 7, 2007. This application was transmitted on February 8, 2007 from the Board of County Commissioners to Community Development Services.
II. Washington State tax law states that if a jurisdiction has adopted a Comprehensive Plan then applications for open space shall be acted upon in the same manner in which an amendment to the comprehensive plan is processed.
III. Adverse testimony was not given on this proposal.
IV. Based on the information provided by the proponent and the record established through the review process, the request meets the established criteria for open space taxation.
07-01
Ellensburg Cement Products, Applicant, Three Bar G Ranch Inc., landowners
Map Amendment: Map Overlay to Designate Mineral Lands of Long Term Commercial Significance

On June 19, 2007 Kittitas County Community Development Services received an application from Bruce Terrell, authorized agent for Ellensburg Cement Products, applicant and Frank Gregerich of Three Bar G Ranch Inc., landowner for a map amendment to designate approximately 80 acres from Rural to Mineral Lands of Long Term Commercial Significance, Assessor’s map number 19-16-25030-0001. The Board of County Commissioners held a public hearing on December 18, 2007 and approved the request with a 3-0 vote finding that:

I. Testimony for and against this proposal was received.
II. Kittitas County is required by the Growth Management Act to protect natural resource use by designating mineral lands of long term significance.
III. The subject parcel met the requirements of mineral lands of long term commercial significance as identified in RCW 36A-170-131.
IV. The current land use is rural.
V. The current zoning is Forest and Range.
VI. Mining is an outright permitted use in the Forest and Range Zone.
VII. The location of the subject parcel in regards to the county as a whole, plus the close proximity to the major transportation benefits Kittitas County.

07-02
David Graybill, landowner
David Taylor, authorized agent
Map Amendment: Commercial Agriculture to Rural

On June 26, 2007 Kittitas County Community Development Services received an application from David Taylor, authorized for Brian Graybill, landowner to re-designate 35.80 acres from Commercial Agriculture to Rural. Map number(s) 17-19-34000-0001 and 17-19-340000049. The Board of County Commissioners held a public hearing on December 18, 2007 and denied the request with a 3-0 vote finding that:

I. Testimony for and against this proposal was received.
II. A committee/advisory group has been formed consisting of agricultural professionals to analyze the change of lands from Commercial Lands of Long Term Agricultural Significance to Rural. A county wide study should be completed prior to proposals for individual de-designation.
III. Kittitas County has not adopted formal criteria for de-designation. Until such criteria have been established and adopted proposals for de-designation should not be considered.
IV. Inadequate information has been presented demonstrating the loss of economic viability as a Commercial Agricultural Land Use Designation and trends have not shown such.
V. The subject property is served by an irrigation district. No information in the record reflects that the property cannot be used for agricultural use.

07-04
R & R Heights Land Co. Inc, landowner
Vernon Swesey, Authorized Agent
Map Amendment: Rural to General Commercial

On June 29, 2007, Kittitas County Community Development Services received an application from Vernon Swesey, authorized agent for R&R Heights Land Co. Inc., landowner to re-designate approximately 18.74 acres from Rural to General Commercial. Map numbers 20-15-18052-0001, 0002, 0003 and 0004. The Board of County Commissioners held a public hearing on December 18th, 2007 and made a motion to deny the request with a 2-1 vote, Commissioners Bowen and Crankovich voting for the motion and Commissioner McClain voting against the motion, finding that:

I. Testimony for and against this proposal was received.
II. The subject property abuts the City of Roslyn Urban Growth Area and City Limits to the east. The Growth Management act requires that counties and cities plan together. The record reflects opposition from the City of Roslyn.
III. The subject property is in close proximity to Ronald, Roslyn, Cle Elum and Suncadia. As such a joint planning effort should be undertaken.
IV. The subject property is adjacent to SR-903 and Horvatt Road. The proposed amendment and related use would require the realignment of Horvatt Road. The record lacks any analysis or study on such realignment.

07-05
Terra Design Group Inc, Applicant,
Map Amendment: Create a new section titled Fully Contained Communities establishing criteria meeting the requirements of GMA

On June 29, 2007 Kittitas County Community Development Services received an application from Terra Design Group for a Text Amendment to create a new section titled Fully Contained Communities establishing criteria meeting the requirements and intent of GMA. The Board of County Commissioners held a public hearing on December 18, 2007 and denied the request with a 3-0 vote finding that:

I. Testimony for and against this proposal was received.
II. The record lacks analysis by the applicant to support the addition of the text
III. Resolution 2007-36 established and formed a committee to study land use and designations within Kittitas County. The proposed text amendment should be studied and public comment provided, before consideration of the text amendment.

07-06
Keechelus Ridge Home Owners Association, applicant
Map Amendment: Commercial Forest to Rural

On June 29, 2007 Kittitas County Community Development Services received an application from the Keechelus Ridge Home Owner’s Association (HOA) to re-designate approximately 666 acres from Commercial Forest to Rural. Map numbers 21-12-03000-0001, 0002, 0003, 0004, 0005, 0006, 0007, and
0008. The Board of County Commissioners held a public hearing on December 18th, 2007 and denied the request with a 3-0 vote finding that:

I. Testimony for and against this proposal was received.
II. Kittitas County through Resolution 2007-35 established a committee to study Forest Lands of Long Term Commercial Significance. The Growth Management Act requires criteria be established for designation and de-designation of resource lands. Kittitas County has tasked said committee to study Commercial Forest Lands as a whole and develop criteria for designation and de-designation. That analysis has not been completed. Until such study is completed applications for de-designation should not be moved forward.
III. De-designation should be considered in an area or the county as a whole.
IV. The applicant did not meet the burden of proof to warrant the change in designation.

07-07
City of Cle Elum (in cooperation with Central Cascade Land Company) C/O Matt Morton
Anne Watanabe, authorized agent
Map Amendment: Rural to City of Cle Elum Urban Growth Area (Industrial)

On June 29, 2007 Kittitas County Community Development Services received an application from Anne Watanabe, authorized agent and Matt Morton, City of Cle Elum to re-designate approximately 90 acres from Rural to Industrial and inclusion into the City of Cle Elum Urban Growth Area. Map numbers 20-15-21:040-0001, 0008, 0009, and 0010. The Board of County Commissioners held a public hearing on December 18, 2007 and approved the request with a 3-0 vote finding that:

I. Testimony in support of this proposal was received.
II. The Growth Management Act requires joint review of development proposals between the county and the city when located within an Urban Growth Area.
III. The record reflects a proper land capacity analysis was submitted by the City of Cle Elum and the applicant demonstrating the need for industrial land.
IV. The record reflects the proposal will meet the City’s population and employment projections based on the City’s Comprehensive Plan.
V. The proposed expansion would meet the City’s need to provide an industrial area away from any flood plain.

07-08
Merle Thompson, Landowner
Paula Thompson, Authorized Agent
Map Amendment: Agricultural to Urban Residential
Rezone submitted Z-12, Thompson Rezone, AG-20 to Residential

On June 29, 2007 Kittitas County Community Development Services received an application from Paula Thompson, authorized agent for Merle Thompson, landowner to re-designate approximately 10.49 acres from Agricultural to Urban Residential. The Board of County Commissioners held a public hearing on December 18, 2007 and denied the request with a 3-0 vote finding that:

I. Testimony for and against this proposal was received.
II. The request is to re-designate rural agricultural land (zoned Ag-20) to an Urban Residential designation with a rezone to Residential.
III. The UGN designations were recently remanded to the County for additional review and designation consistent with the Growth Management Act.
IV. The County is in the process of assessing urban growth nodes. UGNs will likely become rural designations. Any designation that is urban in nature, such as the requested Urban Residential, should not be pursued until such a time that the UGN may be determined to be an unincorporated UGA.

07-09
Lee Beedle, applicant
John Ufkes, authorized agent
Map Amendment: Rural to Commercial (Rezone submitted: Z-07-13, Beedle Rezone, AG-3 to Limited Commercial)

On June 29, 2007 Kittitas County Community Development Services received an application from John Ufkes, authorized agent for Lee Beedle, landowner to re-designate approximately 1.36 acres from Rural to Commercial. Map number 20-15-21030-0011. The Board of County Commissioners held a public hearing on December 18, 2007 and made a motion to approve the request with a 2-1 vote, Commissioners Bowen and McClain voting for the motion and Commissioner Crankovich voting against the motion, finding that:

I. Testimony for and against this proposal was received.
II. The subject parcel is adjacent to existing commercial zoning.
III. The record reflects testimony the Bullfrog Roundabout adversely affects this parcel making residential or agricultural use incompatible.
IV. The subject property is more compatible for small commercial use.
