Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The SUB-GRANTEE must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The DEPARTMENT reserves the right to recover from the SUB-GRANTEE all disallowed costs resulting from the audit.

Once the single audit has been completed, the SUB-GRANTEE must send a full copy of the audit to the DEPARTMENT and a letter stating there were no findings, or if there were findings, the letter should provide a list of the findings. If SUB-GRANTEE claims it is exempt from the audit requirements of Circular A-133, SUB-GRANTEE <u>must</u> send a letter identifying this Grant Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the SUB-GRANTEE fiscal year(s) to:

The SUB-GRANTEE shall include the above audit requirements in any sub-contracts.

Conducting a single or program-specific audit in compliance with Circular A-133 is a material requirement of this Grant Agreement. In the absence of a valid claim of exemption from the audit requirements of Circular A-133, the SUB-GRANTEES failure to comply with said audit requirements may result in one or more of the following actions in the Department's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with Circular A-133; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

If requested by the DEPARTMENT, the SUB-GRANTEE shall complete and sign a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form. Any such form completed by the SUB-GRANTEE for this Grant Agreement shall be incorporated into this Grant Agreement by reference.

Further, the SUB-GRANTEE agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the Department has no obligation to do so.

The SUB-GRANTEE shall not look to the DEPARTMENT, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Grant Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Grant Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Grant Agreement are declared severable.

A.28 SUB-CONTRACTING

The SUB-GRANTEE shall use a competitive procurement process in the award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The Sub-Grantee must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Sub-Grantee and DEPARTMENT to make a determination on eligibility of project costs.

All sub-contracting agreements entered into pursuant to this Grant Agreement shall incorporate this Grant Agreement by reference.

A.29 SUB-GRANTEE NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Grant Agreement. The SUB-GRANTEE, and/or employees or agents performing under this Grant Agreement are not employees or agents of the DEPARTMENT in any manner whatsoever. The SUB-GRANTEE will not be presented as nor claim to be an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Grant Agreement, nor will the SUB-GRANTEE make any claim, demand, or application to or

for any right or privilege applicable to an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Grant Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the SUB-GRANTEE is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the state of Washington in their own right and not by reason of this Grant Agreement.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Grant Agreement, the SUB-GRANTEE shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the SUB-GRANTEE or its staff required by statute or regulation that are applicable to Grant Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Grant Agreement, the SUB-GRANTEE may terminate this Grant Agreement by providing written notice of such termination to the DEPARTMENTS's Key Personnel identified in the Grant Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Grant Agreement, the DEPARTMENT, in its sole discretion and in the best interests of the State of Washington, may terminate this Grant Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the SUB-GRANTEE. Upon notice of termination for convenience, the DEPARTMENT reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the SUB-GRANTEE from incurring additional obligations of funds. In the event of termination, the SUB-GRANTEE shall be liable for all damages as authorized by law. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE

In the event the DEPARMENT, in its sole discretion, determines the SUB-GRANTEE has failed to fulfill in a timely and proper manner its obligations under this Grant Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the SUB-GRANTEE unable to perform any aspect of the Grant Agreement, or has violated any of the covenants, agreements or stipulations of this Grant Agreement, the DEPARTMENT has the right to immediately suspend or terminate this Grant Agreement in whole or in part.

The DEPARTMENT may notify the SUB-GRANTEE in writing of the need to take corrective action and provide a period of time in which to cure. The DEPARTMENT is not required to allow the SUBGRANTEE an opportunity to cure if it is not feasible as determined solely within the DEPARTMENT's discretion. Any time allowed for cure shall not diminish or eliminate the SUB-GRANTEE's liability for damages or otherwise affect any other remedies available to the DEPARTMENT. If the DEPARTMENT allows the SUB-GRANTEE an opportunity to cure, the DEPARTMENT shall notify the SUB-GRANTEE in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the DEPARTMENT, or if such corrective action is deemed by the DEPARTMENT to be insufficient, the Grant Agreement may be terminated in whole or in part.

The DEPARTMENT reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the SUB-GRANTEE from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the SUB-GRANTEE, if allowed, or pending a decision by the DEPARTMENT to terminate the Grant Agreement in whole or in part.

In the event of termination, the SUB-GRANTEE shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the SUB-GRANTEE: (1) was not in default or material breach, or (2) failure to perform was outside of the SUB-GRANTEE's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the DEPARTMENT terminates this Grant Agreement, the SUB-GRANTEE shall follow any procedures specified in the termination notice. Upon termination of this Grant Agreement and in addition to any other rights provided in this Grant Agreement, the DEPARTMENT may require the SUB-GRANTEE to deliver to the DEPARTMENT any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated.

If the termination is for convenience, the DEPARTMENT shall pay to the SUB-GRANTEE the agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the DEPARTMENT prior to the effective date of Grant Agreement termination, and the amount agreed upon by the SUB-GRANTEE and the DEPARTMENT for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the DEPARTMENT, (iii) other work, services and/or equipment or supplies which are accepted by the DEPARTMENT, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. If the termination is for cause, the DEPARTMENT shall determine the extent of the liability of the DEPARTMENT. The DEPARTMENT shall have no other obligation to the SUB-GRANTEE for termination. The DEPARTMENT may withhold from any amounts due the SUB-GRANTEE such sum as the DEPARTMENT determines to be necessary to protect the DEPARTMENT against potential loss or liability.

The rights and remedies of the DEPARTMENT provided in this Grant Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the DEPARTMENT in writing, the SUB-GRANTEE shall:

- a. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Grant Agreement except as may be necessary for completion of such portion of the work under the Grant Agreement as is not terminated;
- c. Assign to the DEPARTMENT, in the manner, at the times, and to the extent directed by the DEPARTMENT, all of the rights, title, and interest of the SUB-GRANTEE under the orders and sub-contracts so terminated, in which case the DEPARTMENT

- has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts:
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the DEPARTMENT to the extent the DEPARTMENT may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the DEPARTMENT and deliver in the manner, at the times, and to the extent directed by the DEPATMENT any property which, if the Grant Agreement had been completed, would have been required to be furnished to the DEPARTMENT;
- f. Complete performance of such part of the work as shall not have been terminated by the DEPARTMENT in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the DEPARTMENT may require, for the protection and preservation of the property related to this Grant Agreement which is in the possession of the SUB-GRANTEE and in which the DEPARTMENT has or may acquire an interest.

ADDITIONAL AGREEMENT PROVISIONS AND WORKSHEET For Compliance With The Federal Funding Accountability and Transparency Act of 2006 (P.L. 109-282) (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website. Federal awards include grants, subgrants, loans, awards, cooperative agreements, and other forms of financial assistance as well as contracts, subcontracts, purchase orders, task orders, and delivery orders. The legislation does not require inclusion of individual transactions below \$25,000 or credit card transactions before October 1, 2008. However, if an award is initially below this amount yet later increased, the act is triggered. Due to this variability in compliance Subrecipients are <u>required</u> by the Military Department to be familiar with the FFATA requirements and complete this Worksheet for *each contract* for the State's submission in to the FFATA portal.

ADDITIONAL PROVISIONS

- A. This grant agreement contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this grant agreement contract, the sub-grantee agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.
- B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.
- C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than \$25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below \$25,000 but subsequent grant modifications result in a total subaward equal to or over \$25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds \$25,000. If the initial subaward equals or exceeds \$25,000 but funding is subsequently de-obligated such that the total award amount falls below \$25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.
- D. As a Federal grant subawardee under this grant agreement contract, your organization is required by FFATA, OMB Guidance and this grant agreement contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.
 - 1. Data about your organization will be provided to USASpending.gov by the WMD. System for Award Management (SAM) is a government wide registration system for organizations that do business with the Federal Government. SAM stores information about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, http://www.sam.gov. WMD requires SAM registration and annual renewal by your organization to minimize unnecessary data entry and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.
 - Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (http://www.dnb.com). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.

- E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:
 - 1. Your organization (the subawardee), in the preceding fiscal year, received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards; and
 - 2. The public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986.

"Total compensation" for purposes of this requirement generally means the cash and non-cash value earned by the executive during the past fiscal year and includes salary and bonus; awards of stock, stock options and stock appreciation rights; and other compensation such as severance and termination payments, and value of life insurance paid on behalf of the employee, and as otherwise provided by FFATA and applicable OMB guidance.

F. If (1) in the preceding fiscal year your organization received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards, and (2) the public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986, insert the names and total compensation for the five most highly compensated officers of your organization in the table below.

use form w-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
 - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
