Re: Old Airport Beacon Light

Dear Commissioners,

The Kittitas County Museum would like to request the Commissioners to declare the old nonfunctioning rotating beacon light recently removed from the water tower at Bowers Field surplus to the needs of Kittitas County. The Museum would like to purchase this surplus light for \$1.00 and display it in our military exhibit room along with the other artifacts from Bowers Field.

The light served the US Army Air Corps pilots as well as civilian pilots since 1943. It has been in three different locations on Bowers Field over the years. It was converted from the original low powered incandescent lamp to a high powered metal halide lamp that had a much longer lamp life. It has been rotating virtually every night since it was installed 68 years ago signaling the location of Bowers Field to air traffic in all kinds of weather.

Over the years it has been repaired many times but it has finally succumbed to the ravages of the famous Kittitas Valley wind and will no longer rotate. We would like to care for it and display it for all to enjoy.

Thank You

Dear Sir or Madam:

This is in reference to your letter of May 11, 2001, requesting a ruling regarding your qualification for status as an exempt operating foundation as defined in section 4940(d)(2) of the Internal Revenue Code.

Our records indicate you were recognized as exempt from federal income tax under section 501(c)(3) of the Code effective September of 1974. It was determined the organization was not a private foundation within the meaning of Section 509(a) of the Code because it is an organization described in Section 170(b)(1)(A)(vi) and 509(a). You have also been determined to be a private operating foundation within the meaning of section 4942(j)(3) of the Code as of January 1, 1996.

The information submitted indicates your governing body is broadly representative of the general public as evidenced by the large number of area residents of various occupations making up the Board. No Board Members are disqualified persons.

Section 4940(a) of the Code provides for the imposition on each exempt private foundation of an excise tax equal to 2 percent of the net investment income of such foundation for the taxable year.

Section 4940(d)(1) of the Code provides no tax shall be imposed under section 4940 on any private foundation which is an exempt operating foundation for the taxable year.

Section 4940(d) of the Code was enacted pursuant to the Tax Reform Act of 1984, 1984-3 C.B. (Vol. 1)1 (the "Act").

Section 4940(d)(2) of the Code provides the term "exempt operating foundation" means with respect to any taxable year, any private foundation if-

- a. such foundation is an operating foundation (as defined in section 4942(j)(3);
- b. such foundation has been publicly supported for at least 10 taxable years;
