

Kittitas County Event Center

Agenda Staff Report

AGENDA DATE:

3/2/2010

ACTION REQUESTED:

Request to set Public Meeting

BACKGROUND:

The Kittitas Valley Event Center current rate structure was adopted in by Resolution 2001-31, based on current demand and market conditions for the Kittitas Valley Event Center. Those rates remained in place up to 2005. The director at the time then proposed a rate increase a variety of services and facilities that the County was offering at the time. Resolution 2005-156 was passed that increased rental services. in 2006 however, based on new information and 2 public hearings, Resolution 2006-67 passed which reverted the Event Center rental rates back to the 2001 rates.

During a regularly schedule Study Session with the Board of County Commissioners, Director Anderson was instructed to create a new rate structure that meets current market and demand conditions.

Director Anderson reviewed current rates, competitor rates, and current trends at the Kittitas Valley Event Center and submits the following rates for consideration.
