My Goof - - My Error - - I had planned on giving an OFFICIAL yes to the opportunity for reappointment.

Yes, I will accept a reappointment if confirmed by the commissioners.

Hello,

On October 1, 2014 I sent notice out to members on various Boards and Committee's that had terms due to expire at the end of this year. I asked that they notify our office in writing by December 2, 2014 if they wanted to be considered for reappointment. The following I have not heard back from and so I thought I would check with you all to see if you had an idea what the member (s) were planning on doing.

Thanks for your help!
