Mandy, we have decided that we need to cancel the Whisky Dick Triathlon. With the Wanampum Dam crack, we have no water we can use, and we tried to promote it as the DAM Du, but the registrations have not come. I am contacting everyone via email about this. Let me know if there is something else I should do. Thanks!

Just read the letter.... I could be missing something but I don't see where your requesting a waiver to the County Noise Ordinance OR a waiver to the Penal Bond/Bond of Indemnity.....

Mandy, is there something formal I need to submit for both of these? They are both mentioned in the letter.

I don't know what you have with your application. And haven't had a chance to fully review this letter, but in case you didn't already please put in your request for a waiver to the County noise Ordinance since it says no noise prior to 7:00 a.m. AND if your not including a Penal Bond Please request that waiver as well.

Thanks Deanna

I hope it is fun! I am concerned about the Columbia River. We are going to be praying that the water levels get raised sooner rather than later, or we may be having a Duathlon (Bike and Run event). ☺
