Special reasons for wishing to serve on the Board or Commission:

I've grown up with addicted people. I was married to a wonderful man who became addicted, abusive and then died due to drugs. I am raising a child of his who is battling the disease of addiction and currently winning. I work at the highschool and see the kids suffering addiction on a daily basis and they need more representation. I have been there for two very close friends before, during and after serious addiction issues and while they continue to battle the disease. Due to all of these experiences I have become very passionate about the issues.

What advisory panels, Boards/Commissions have you previously served on?

If I'm lucky enough to be appointed to this board, it would be my first.

Please list any training or experience you have that would be beneficial to serving on the Board or Commission: Please see the special reasons portion above. Also, I've been a C.A.S.A and dealt with addicted parents and I have been a foster mom in Ellensburg and I've dealt very, very closely with addicted parents of my foster daughter. I've also volunteered at Child Haven in Seattle and dealt with parents in recovery and addicted babies and toddlers.
