Attachment for the Grant County PUD Franchise Application.

Description of the Proposed Franchise:

Public Utility District No. 2 of Grant County, WA (Grant County PUD) would like to install two new signs for Rocky Coulee Recreation Area. Enclosed with the application are the detail sheets that include the specifications for signs, post types, base types, and installation locations. They reference all the necessary MUTCD and WSDOT plan sheets. Also, the locations in the field for these signs are staked.

Also, Grant County PUD would like to note that approx. 2 years ago approval from Kittitas County to sign The Cove (aka as Getty's Cove) was received. This was done as part of a cooperative agreement with Washington State (WS) Parks to operate and maintain The Cove facility. Since the aforementioned agreement is no longer in place, WS Parks removed their sign from the post; however, the post standing was left in tact. Grant County PUD would like to replace this sign since the previous sign was designed for WS Parks and does not meet regular guide sign standards. This sign is omitted from the attached detail sheets since it has already been approved. Please let me know whether this additional sign needs to be included in the detail sheet for this Franchise Application.

Once this Franchise Application is approved, Grant County PUD will contract out the work to manufacture and install the new signs.

Sincerely,

Igor Shaporda
