Re: Special Event Application – Yakima Crime Stoppers, “Your Canyon for a Day”

Dear Board of County Commissioners,

The Sheriff's Office has no concerns with the annual “Your Canyon for a Day” event.

Law Enforcement is provided by the Yakima County Sheriff's Office and county resources should not be needed during the event. I recommend approving this special event activity.

Sincerely,

Gene Dana,
Sheriff

Subject: Special Event Application

Dear Board of County Commissioners,

Kittitas County Solid Waste has been in contact with Rick Ensey, the event coordinator of Your Canyon for a Day. The event staff has a recycling and garbage plan that meets our satisfaction.

Please contact me at [509] 962-7577 if you have any questions.

Thank you.

Hi Reno

Crime Stoppers will have containers for both trash and recycling at both ends of the canyon and at each rest stop in between. At the end of the ride, I will pick up all containers and dispose properly. Is this all the info you need?

Thanks,
Rick

I have attached a Special Event Application our office has received from the Yakima Crime Stoppers, to hold the annual Your Canyon for a Day event. As you will note, when the application was received by our office, it was incomplete and did not have the correct date on it, so I sent Mr. Ensey a letter requesting the information and permit fee. He said the event is scheduled to be held on Saturday May 15, 2010 (the application stated it was May 17, 2009).

I followed up with a phone call to Mr. Ensey and left a message on his voice mail, and he returned my call this morning. He said he intends on getting the permit fee and other information to our office as soon as possible, but I wanted to get this to you now so you can begin your review. As I receive additional information from him, I will forward it to you for your

Re: Yakima River "Your Canyon For A Day" Permit

To Whom it May Concern:

In regard to the above mentioned project, I have the following comments:

- An event permit is not required from the Fire Marshal's Office for this event.
- After review of the event permit, I have found no life safety/fire code issues that need to be addressed.

The intent of the IFC is to provide a reasonable level of life safety and property protection from the hazards of fire, explosion or dangerous conditions. If you have further comments or questions, please do not hesitate to contact me at 509-962-7000.

Sincerely,

Brenda Larsen

Hi Dave,

This is to advise you that I will be placing your Special Event Application on the Commissioners May 4th Agenda Session for the Board's consideration.

It would be appreciated to have you, or a member of your event committee attend the **Commissioners Agenda Study Session on Monday May 3, 2010 at 10:30 a.m.** in the Commissioners Auditorium, Room 109, Kittitas County Courthouse, in case the Board has any questions regarding the event.

I would appreciate you confirming if someone will be in attendance on May 3rd at 10:30 a.m.
Thank you! ☺
