

# Kittitas County Solid Waste

## Agenda Staff Report

**AGENDA DATE:**

5/4/2010

**ACTION REQUESTED:**

Request Boards approval for the Chair to sign a contract with Architects Rasmusson Triebelhorn for the Jail Pod Project.

**BACKGROUND:**

On January 11, 2010 the county received proposals from several architectural firms interested in working on the design for the Jail Pod Project. On January 21, 2010, interviews were conducted with the top two firms and it was determined we would proceed with negotiations with Architects Rasmusson Triebelhorn.

Over the next several months we work through the scope of work and fees and have come up with an agreement for the project.

**INTERACTION:**

This contract has been reviewed by the Prosecutors office, and Architects Rasmusson Triebelhorn.

**RECOMMENDATION:**

At this time I recommend the Boards approval for the chair to sign the contract with Architects Rasmusson Triebelhorn for the Jail Pod Project Architectural design services.

**HANDLING:**

Return two copies
