Hello Mr. Kelleher,

As Clerk for the Homeless and Affordable Housing Committee I have been directed to contact you regarding your membership on the committee.

The last time we spoke on the phone, you indicated your business rarely allowed you the opportunity to attend committee meetings on a regular basis. Since there has been no response from the numerous emails sent you on 3/6/15, 4/2/15, 4/24/15, 4/29/15, inquiring on your committee position status; and you have not been in attendance at any of the monthly meetings since last fall, **unless we hear from you on or before May 13, 2015** your position on the HAHC will be considered vacated and a new member will be appointed.

As we discussed before, you are still welcome to attend any of the meetings, and there is a public comment time allowed on the meeting agendas, so you can always voice your comments or suggestions.

The committee appreciates your interest in the homeless issues and if in the future your position changes and you would like to be reconsidered for membership, please feel free to apply to the committee again.

Thank you again for your time and effort.
