RE: Appointment to Kittitas County Noxious Weed Control Board

The Kittitas County Noxious Weed Control Board respectfully requests the appointment of Mary Morgan to serve the remainder of term of the vacant position of Kittitas County Weed Board Director representing Weed Section #1, as described in RCW 17.10.050. Mary Morgan is currently serving on the Weed Board as Section 2 representative but she would like to be appointed to the Section 1 position in order to represent the Weed Section that includes the City of Ellensburg.

Mary is a landowner and Weed Section #1 and is currently a member of the Ellensburg City County, making her an ideal representative for this weed section. The Weed Board feels that Mary Morgan will continue to be a productive member to the County Weed Board and looks forward to her continued participation on the Board. The current 4-year term for Weed Section #1 Representative ends in March of 2019.

If the Kittitas County Board of County Commissioners grants the request mentioned above, the Kittitas County Noxious Weed Control Board also respectfully request the appointment of Holly Pinkart to serve the remainder of the term of the position vacated by Mary Morgan as Kittitas County Weed Board Director representing Weed Section #2 as described in RCW 17.10.050.

Holly is a landowner in Weed Section #2 and previously served on the Weed Board until her term expired in 2015. The Weed Board feels that Holly Pinkart will continue to be a productive member to the County Weed Board and looks forward to her continued participation on the Board. The current 4-year term for Weed Section #2 Representative ends in March of 2017.
