

**BOARD OF COUNTY COMMISSIONERS
COUNTY OF KITTITAS
STATE OF WASHINGTON**

RESOLUTION NO: 2015-003

**AWARD THE LOCAL AGENCY STANDARD CONSULTANT AGREEMENT FOR PROFESSIONAL AND
ENGINEERING SERVICES FOR THE NANEUM, WILSON AND CHERRY CREEK WATERSHED
ASSESSMENT**

- WHEREAS,** Kittitas County Flood Control Zone District received funding from the Salmon Recovery Funding Board (SRFB) for the Naneum, Wilson and Cherry Creek Watershed Assessment, to be completed by December 4, 2016, and
- WHEREAS,** The project is administered by the Recreation and Conservation Office (RCO), and sponsored by the Kittitas County Flood Control Zone District and Kittitas County Conservation District; and
- WHEREAS,** Matching funds are being provided by the US Bureau of Reclamation and Kittitas County Conservation District; and
- WHEREAS,** The project involves developing a baseline understanding of the existing conditions of each stream as it relates to fish, irrigation, water quality, and flooding in order to plan and prioritize future projects with a goal of reducing flood hazards and addressing limiting factors to recovery and enhancement of steelhead, salmon, and other aquatic species within the study watersheds; and
- WHEREAS,** Kittitas County requires professional services to complete the study, including services such as project management, hydraulic engineering, and biology; and
- WHEREAS,** The County selected Jacobs to provide these services.

NOW, THEREFORE BE IT RESOLVED: The Board of County Commissioners hereby declares it be in the best interest of the public, and does hereby authorize chair signature for the aforementioned professional services.

ADOPTED this 6th day of January, 2015.
