

Kittitas County Juvenile Probation

Agenda Staff Report

AGENDA DATE:

8/4/2015

ACTION REQUESTED:

Move to adopt Resolution authorizing Interlocal agreement with Administrative Office of the Courts (AOC) and sign the resolution.

BACKGROUND:

The Washington State Legislature adopted statute area known as the BECCA Law which encompasses At-Risk Youth, Truancy and Children in Need of Services (CHINS) petitions processes empowering and directing parents/schools/children, depending on the petition, to ask the court for relief in those situations. AOC has administered the Superior Court/Juvenile Division BECCA funds provided by the legislator through county Juvenile Court Administrators. This year they have provided guidelines for reimbursement of costs of those petitions. This has been an ongoing contract with our court for decades.

INTERACTION:

Assigned County legal advisor has reviewed the documents and approved for BOCC to consider the obligation. The contract is from AOC with the Superior Court/Juvenile Division services being encumbered. The Presiding Judge has obligated the juvenile court staff by signature.

RECOMMENDATION:

Sign the Resolution.

HANDLING:

Please provide copy of final signed resolution.
