

KITTITAS COUNTY
DEPARTMENT OF PUBLIC WORKS

AGENDA STAFF REPORT

AGENDA DATE: December 1, 2015

ACTION REQUESTED: Approve County Road Project for North Ferguson Road Siphon Construction.

BACKGROUND: Kittitas County Conservation District (KCCD) is planning to replace a bridge on North Ferguson Road over Town Ditch and fish barrier irrigation diversion with a siphon and screened diversion. The existing bridge is in disrepair and in need of replacement. The anticipated cost to the county for bridge replacement is estimated to be approximately \$350,000 as a stand-alone project. The project as proposed by KCCD will include the replacement of this bridge with a siphon. Kittitas County Public Works is planning to expend \$85,000 to this project for a significant savings to the road fund. Total construction cost is estimated to be \$1,077,040.80.

The project will be formally added to the 2015 annual construction plan through the adoption process. The project will be paid using \$85,000 of county road funds once KCCD funds for the siphon and associated appurtenances are expended.

INTERACTION: Public Works

RECOMMENDATION: Board of County Commissioners to approve and sign the CRP form for the North Ferguson Road Siphon Construction Project.

HANDLING: Return one original to Public Works

ATTACHMENTS: CRP form for Board approval.

LEAD STAFF: Douglas D'Hondt
County Engineer

RESOLUTION NO. _____

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF KITTITAS COUNTY, STATE OF WASHINGTON, in the matter of initiating a county road project designated as:

CRP NO: 268-15

JOB NO: RM2101

IT IS HEREBY RESOLVED that the North Ferguson bridge #79091 (OB) located at mile post 0.885 be removed and replaced with a siphon as follows:

The scope of this project includes removal of the bridge over the Town Ditch and replaced with a siphon.
