RE: Amendment to County Noise Ordinance

By: Neil A. Caulkins, Deputy Prosecutor

Date: December 9, 2015

Kittitas County's current Noise Ordinance, Ch. 9.45 KCC, was held unconstitutional by Judge Hurson because it is vague. The Prosecutor's Office has drafted a replacement/amendment to said ordinance that provides objective standards that will be legally enforceable. The Prosecutor's Office requests that the BOCC set a public hearing to consider amending the County Noise Ordinance accordingly.
