9.45.010 Declaration of Policy.

It is declared the policy of the county to minimize the exposure of citizens to adverse effects of excessive noise and to protect, promote, and preserve the public health, safety and welfare. It is the express intent of the board of county commissioners to control the level of noise in a manner which promotes commerce; the use, value, and enjoyment of property, sleep and repose; and the quality of environment.

9.45.020 Public Disturbance – Finding of Special Conditions.

The making, creation or maintenance of excessive, unnecessary or unusual loud noises which are prolonged and unusual in their time, place and use, affect and are a detriment to public health, comfort, convenience, safety, welfare and prosperity of the people of the county. The board of county commissioners and the county sheriff's department have received numerous citizen's complaints regarding noise and believe such noise constitutes a public disturbance. Special conditions within the county make necessary any and all differences between this chapter and regulations adopted by the Department of Ecology.

9.45.030 Public Disturbance – Noise Unlawful When.
