

Kittitas County Solid Waste

Agenda Staff Report

AGENDA DATE:

6/15/2010

ACTION REQUESTED:

Board signature on Professional Service Agreement with HWA GeoSciences, Inc for reviewing and updating the Post Closure Plan for the Ryegrass Balefill.

BACKGROUND:

In accordance with WAC 173.350 Kittitas County is required to have a Post Closure plan for the closed Ryegrass Balefill. The existing plan has expired and it is time to update the plan. Solid Waste advertised a Request of Qualifications and received one response.

At this time the Solid Waste Department requests the Boards signature on a professional Service Agreement with HWA GeoSciences, Inc. for updating and reviewing the Ryegrass Post Closure plan.

INTERACTION:

Solid Waste Department, Prosecutors Office.

RECOMMENDATION:

I recommend that the Boards signs the Professional Services Agreement between HWA GeoSciences, Inc. and Kittitas County for reviewing and updating the Post Closure Plan for the Ryegrass Balefill

HANDLING:

Return two originals to Solid Waste
