

KITTITAS COUNTY  
SHERIFF'S OFFICE

**AGENDA STAFF REPORT**

**AGENDA DATE:** February 2, 2016

**ACTION REQUESTED:** Request to Approve Columbia Ford & Corwin Ford extended warranty and extended maintenance plans for Kittitas County Sheriff's Office patrol vehicles.

---

**BACKGROUND:** This fall the Sheriff's Office researched cost saving measures to reduce repair and maintenance expenditures for our fleet of patrol vehicles. This option of purchasing extended bumper to bumper warranty and extended maintenance plans will in fact save the county money over the life expectancy of the vehicle. These plans cover all maintenance and repairs, excluding tires and collisions. We look forward to proactively tracking and documenting these savings.

**INTERACTION:** The Kittitas County Prosecuting Attorney's Office has reviewed and approved.

**RECOMMENDATION:** Request to Approve Columbia Ford & Corwin Ford extended warranty and extended maintenance plans for Kittitas County Sheriff's Office patrol vehicles.

**HANDLING:** BOCC to return signed originals to Sheriff Office for obtaining signatures from Ford. Upon receipt the Sheriff's Office will return originals to BOCC.
