## “Official County Newspaper” Bid 2016

**To: Kittitas County Commissioners Board and Staff,**

The **Northern Kittitas County TRIBUNE**, an outstanding community newspaper located in Cle Elum, WA, submits this bid to print all legal notice publications for Kittitas County during **July 1, 2016 through June 30, 2017** at a discounted rate of:

**\$8.50 per column inch for First insertion date**

**\$7.50 per column inch for Subsequent insertions of the same legal notice**

(Discounted from our advertising open rate of \$12.00 pci)

Same discounted prices offered for display legals, which may include color, graphics, photos or other premium upgrades at no additional charge.

**TRIBUNE** single-column width measures 1.66-inches with 6-columns across per page.

We will provide an Affidavit of Publication and Clipping after each final publishing date.

Published on Thursday, **our average total paid circulation is 3,000**. Of that, 2,400 are purchased within Kittitas County, primarily Upper County each week (ex: mailed to subscribers, local business news stands and vending boxes). Thus, your public notices would be viewed by over 7,500 loyal readers each week.

Public notices are a priority with us, and we make every effort to accommodate them, even extending our regular deadline from the noon to 5:00 p.m. Tuesdays for all legal notices. **On Tuesday meeting nights, notices sent to us by 10:00 p.m. may be published in that Thursday's edition.** Confirmation of receipt is promptly sent back on every e-mail submitted notice, and affidavits of publication are provided along with final billing.

All paid legal notices published in our newspaper are posted online through our community newspaper network's searchable database at **www.wapublicnotices.com** each week.

We invite you to partner with us in providing Kittitas County residents and **TRIBUNE** readers with the important information they expect to read in the Public Notices each week.

Thank you for considering the **Northern Kittitas County TRIBUNE**,

**Jana E. Stoner, publisher**
