

**KITTITAS COUNTY**  
**Board of County Commissioners**

**AGENDA STAFF REPORT**

**AGENDA DATE:** June 21, 2016

**ACTION REQUESTED:** Request Boards approval on to advertise a Request to Approve a Request for Qualifications for the Kittitas County Transfer Station Relocation Feasibility Study

---

**BACKGROUND:** The current Ellensburg transfer station was built in 2001 to service the lower Kittitas County area. Since its construction the services provided at the facility have grown and the need for material diversion has changed. With the current facility we are limited on space which in turn limits the types of services we can provide.

At this time we would like to start the process of looking into the feasibility of relocating the facility to a larger and more accessible site.

**INTERACTION:** Solid Waste

**RECOMMENDATION:** Recommend the Boards approval to advertise

**HANDLING:** Return copy to Solid Waste

**ATTACHMENTS:** Request for Qualification
