**COMMISSIONERS**

At 4:00 p.m. Chairman O'Brien opened a Special Meeting to receive information and a report on Circle the City project. He said the project is intended to improve the existing trails and pathways and encircle the City of Ellensburg with a comprehensive trail system.

Phil Backlund explained how the project is sponsored by the Ellensburg Morning Rotary Club and it will feature benches, exercise equipment, and signage. Upon completion of the trail it will be a total of approximately 13.1 miles; that of a half-marathon.

Commissioner Jewell offered to be the contact person as there could be grants available in the future since the County had recently adopted a Recreational Plan. The Rotary members thanked the Board of County Commissioners for their time and looked forward to working with them in the future.

The meeting was adjourned at 4:30 p.m.
