

**Kittitas County
Board of County Commissioners**

Agenda Staff Report

Agenda Date: December 6, 2016

Action Requested: Request to Acknowledge the 2016 Water System Plan for Kittitas County Water District #7 (Sunlight Waters)

Background:

On October 15, 2013, the BOCC approved Resolution 2013-124 authorizing the grant application to the State Department of Commerce (DOC) requesting \$24,000 of Community Development Block Grant (CDBG) program funds to update the Kittitas County Water District Number 7's water plan.

On January 7, 2014, DOC awarded Kittitas County \$24,000 in federal CDBG program funds for this project. On February 26, 2014, DOC submitted the attached grant contract between Kittitas County and DOC for the BOCC's signature.

The project period was April 7, 2014 (date of Execution) through February 29, 2016. The project has been completed. The project is completed and as part of the grant requirement the County held a public hearing for the final review and approval of the project performance on September 1, 2015.

The final requirement of the Grant before Department of Commerce will close the project is the receipt and acknowledgment of the 2016 Water System Plan.

Recommendation: Request the Board acknowledge receipt of the 2016 Water System Plan for Kittitas County Water District #7 (Sunlight Waters).

Handling: No need for signature, document provided to Clerk of the Board.
