Agenda Staff Report

AGENDA DATE:

7/20/2010

ACTION REQUESTED:

Request Chairs Signature on Amendment #1 with the Department of Ecology Amending our Coordinated Prevention Grant G1000419.

BACKGROUND:

The Department of Ecology issued our original grant with the effective date of January 1, 2010 and an expiration date of December 31, 2011. This grant was also written with two phases. This amendment will not allow spending of funds for phase two and also changes the date for spending of phase one funding to June 30, 2011.

INTERACTION:

Solid Waste, Prosecutors office, and Department of Ecology

RECOMMENDATION:

At this time I recommend the Chairs signature on Amendment #1 with the Department of Ecology.

HANDLING:

Return two signed copies to the Solid Waste Department.
