

Public Notice
Kittitas County, Ellensburg WA

Kittitas County Department of Public Works is seeking rivers and stream restoration engineering consultants to provide multidisciplinary planning services for Phase I of the Naneum, Wilson, and Cherry Creek Watershed Assessment. Phase I of the project includes the tasks required to complete an existing condition assessment of the watersheds in order to develop a baseline understanding of the existing condition of each stream as it relates to fish, irrigation, water quality, and flooding in order to plan and prioritize future projects with a goal addressing limiting factors to recovery and enhancement of steelhead, salmon, and other aquatic species within the study watersheds.

All submissions must be received by 5:00 pm October 30, 2014.

The complete Request for Qualifications may be viewed online at <http://www.co.kittitas.wa.us/>. For more information call 509-962-7523.

More information is online at <http://www.co.kittitas.wa.us/notices/>.
