Re: Request for Proposals, 2017 Lodging Tax Fund

Thank you for the opportunity to present a request on behalf of our organization. Attached for your review is our application. In general, we are presenting a means to augment tourism throughout Kittitas County by providing organized Agro-Tourism throughout the year from Rosly/Cle Elum east to Ellensburg and Kittitas.

The association was formed in 2005 and has grown to 5 wineries and 9 vineyards with more development on the drawing boards today. This growth parallels the success of wine regions of Washington State. We are excited about continuing making our mark as a destination wine tourism region for Kittitas County.

This year we started the process of formalizing this association into a non-profit. In the process we changed our name and logo as part of the branding. Our new name is Kittitas Valley Vintners.

Should you have any questions or need additional information please contact me at 509-607-3417 or my email below.

Sincerely,

A handwritten signature in black ink that reads 'Kim R. Goodreau'.

2017 Lodging Tax Funds – General Information

Various municipalities within Kittitas County impose a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. In accordance with the tax and Washington State Law, Lodging Tax Advisory Committees may also be established by various jurisdictions. The committees' purpose is to advise and recommend to the legislative authority of the city or county how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

Uses According to Law:

According to State Statute and the interlocal agreement between the Kittitas County and the Cities of Cle Elum, Ellensburg, and Roslyn, funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

Definitions included in state law which should be considered in any application requesting funding include:

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

Review Process:

Cle Elum, Roslyn, Ellensburg, and Kittitas County have all agreed to collaborate in review of grant applications and awarding lodging tax funds for special events and festivals. Each municipality's committee or designees will review all complete applications, score them based on the information provided by the application, rank the applications, recommend any funding

awards, and forward the score sheets, ranking, and funding recommendations to Kittitas County.

County staff will compile the score sheets, rankings, and funding recommendations for further consideration by a county-wide Lodging Tax Advisory Committee (LTAC). The county-wide LTAC will be comprised of an equal number of members from each participating jurisdiction. The county-wide LTAC will receive the scoring, ranking, and recommendations list and will conduct a public meeting where each applicant which received a funding recommendation will have the opportunity to present their application and answer questions. The county-wide LTAC will publicly deliberate on the applications and the list to produce a final recommendation which will be forwarded to each participating jurisdiction's legislative authority for final action.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information. **Applications which do not receive an average minimum score of at least 50 points or who do not follow the submission instructions will not be eligible for funding.**

Local Policy on Disallowed Uses:

The Lodging Tax Advisory Committees have determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

Application Definitions:

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

Date-specific is an event or project which occurs over less than one month.

Matching Funds is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

New Projects/Events are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

Ongoing Projects/Events are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

Partnerships are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

Project Budget is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

Seasonal means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

Self-Sustaining is being able to provide for your own needs without the assistance of grant funds.

Supports County as a Tourism Destination means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in the County, etc.

Year-round means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

Applicant Categories and Eligibility:

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may apply for funding from one or both categories. If applying for funding from both categories, the application must clearly identify the different funding categories requests. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first four years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.

1. Please provide a description of your project/event and identify the specific tourism audience/market that your organization will target with these funds. You must include an itemized list of exactly how any grant funds awarded will be utilized.
2. Please provide the following estimates of how any money received will result in increases in the number of people traveling for business or pleasure on a trip:
 - I. Away from their place of residence or business and staying overnight in paid accommodations;
 - II. To a place fifty miles or more away from their place of residence or business for the day or staying overnight; or
 - III. From another country or state outside of their place of residence or business.

You must provide the evidence utilized in determining your projections.

3. What tools will you use to measure your event's impact on tourism? Please be specific and provide examples. Include the following information:
 - I. Is your project/event year-round or is it seasonal or date-specific?
 - II. What strategies will you employ to assure you are attracting tourists from at least 50 miles away?
 - III. What strategies will you use to assist in marketing all of Kittitas County as a tourist destination with your event/project funding request?
4. Does your organization have, or have you applied for, grant funding from other sources? If not, why not? If yes, please list the available funding you have for the project, including any volunteer and in-kind sources, and/or the sources and amounts for which you have applied. Please note which funding sources are secured and in hand so a true matching fund determination may be determined. What changes would occur if the project couldn't be funded?
5. If your organization collaborates or has created partnerships with other organizations, groups, or other events to cross-promote in an effort to encourage county-wide tourism, how is this accomplished?
6. Please explain what plans exist to allow this project to become self-sustaining. Include any plans for ticket sales, event sponsors, and other cost-recovery models.
7. **Additional information:** Provide any additional information which will assist the Lodging Tax Advisory Committee in evaluating your project and its benefit to tourism. Please limit any additional written information to one page and any other additional attachments to 3 pages. Regardless of how much additional information is included, only the first 3 pages will be provided to reviewers.
8. **Project Budget:** Please attach a copy of the complete budget for this project/proposal. If your agency operates independently of this project application it may not be

necessary to submit the entire agency budget. You must submit a budget which specifically pertains to the project/event for which you are requesting funding and adheres to the basic budget format shown below.

The budget must include anticipated revenues, expenditures, and any potential profit or loss. For projects/events which are ongoing for more than one (1) year, please also submit actuals from the previous three (3) years of operations for the project/proposal if applicable. Also, please supply any narratives necessary to understand the budget being submitted and list separately any in-kind or volunteer contributions. If applying for funding for both "New Project/Event" and "Ongoing Project/Event Support" you must clearly identify the different requests. This may be most easily accomplished by submitting separate budgets for each request category.

For any claimed in-kind contributions valued at \$500 or more and related to marketing/advertising, you must submit verifying documentation which assures the contribution will be provided. For instance, if you are claiming in-kind contributions in the form of advertising match, a binding contract itemizing the matching value and obligating each party must be provided.

Please assure your budget, and actuals from previous years (if applicable), are in the following basic format:

Revenues:

Cash
Donations/Sponsorships
Sales
Vendor Fees
Grants
Etc.

Total Revenues

In-Kind Contributions:

Volunteer Labor
Donated Services
Donated Materials
Etc.

Total In-kind

Expenses:

ANSWERS TO THE 2017 LODGING TAX FUND APPLICATION

Below are our answers per the application:

1. Project/Event Description:

Our Year-Round project is designed to increase tourism in Kittitas County by marketing the awareness of our local vineyards, wineries and tasting rooms as a destination attraction. We will accomplish this through the use of:

- ❖ Print
- ❖ Radio, including cost effective streaming opportunities such as Pandora
- ❖ Social media (Facebook, Website, Instagram, etc.)
- ❖ Specific target linking to websites that promote Washington State Wine tourism
- ❖ Educating our local hotels, motels and campsites staff of the wine related activities available in Kittitas County.

These funds will be used wisely to achieve the continued successful branding campaign that we have recently developed. We have geared this campaign toward out of county tourism that will result in approximately 104 overnight stays.

Because this is our third year, fewer funds will be spent on production costs, with the majority of funds being capitalized on continued branding by increasing the number of people reached and to continue to expand areas of our state. Last year's grant (2016) was hugely successful in creating a user friendly Kittitas Valley Vintners Association website. The branding power of our new logo and the new website will NOT need to be re-created, merely maintained. So we feel the numbers of stays will dramatically increase over our conservative estimates.

ANSWERS TO THE 2017 LODGING TAX FUND APPLICATION

The target audiences we are expecting to reach are those who are interested in our small towns, rich outdoor experiences, agricultural tourism, dining, gift buying and lodging. Primarily we are targeting the coastal pacific northwest counties (Seattle-Tacoma-Olympia-Everett area contain almost two-thirds of Washington's population), but because of bundled buying power, our chamber is able to extend marketing to Central and Eastern Counties, which include Spokane and Coeur d'Alene, Idaho.

2. Estimate of how any money received will result in:

- I. Away from place of residence or business in Paid accommodations:

At last year's grant submittal, the Kittitas County Chamber of Commerce did a telephone polling on our behalf to a large portion of the major chain hotel and motel's key staff and asked for the reasons why people booked their overnight stays. Based on that telephone poll, roughly 97 rooms were booked, listing wineries, tasting rooms and vineyards as a reason to visit and stay the night. Using the standard 3% (to 5%) increase, we stated 101 rooms booked last year. (this year's grant project is not yet complete, so the grand total of overnight stays cannot be tallied, however the verification of overnight stays related to wine tourism from Brew House Boarding is 76; which is well on our way to meeting 101 goal.) For 2017, one could safely assume another 3% increase in the overnight stays for next year to be roughly 104 paid accommodations.

- II. To a place 50 miles or more away:

In addition to using the Chamber's polling of key chain hotels, an article (shown below) written by The Yakima Herald on August 22, 2016 which quotes the Bureau of Land Management as having tracked 300,000 visitors to the Yakima Canyon Scenic By-way this season! Because of on-line bookings for campsites, BLM could easily follow demographics and was quoted as saying that most

Yakima River Canyon a hot spot as summer winds down

BY JULIA WIRENS
ELLENBURG DAILY RECORD

If you've noticed more people using the Yakima River Canyon to fish, swim and float this year, you aren't alone.

Lee Craven, Bureau of Land Management lead park ranger for the Yakima River Canyon, said last weekend was the busiest he's seen in the four years he's worked in the canyon.

"The reason I think and talking with the other rangers, is an increase in great weather," he said. "People getting in their last hurrahs before school starts. It's easy entertainment. Bring pop, food, and float down the river. It's not a bad way to spend a Saturday."

Craven said the most user-friendly part of the river is between Ellensburg and Yakima so offtake stress using that stretch of the river to enjoy the

outdoors. Many of the people visiting the canyon are from Western Washington, Craven said. "Based on the data we've

collected, a majority of the data says we got a lot of people from the west side on Friday and Saturdays," he said. "And

people from Selah, Yakima and Ellensburg on Sundays."

He said the agency collects data from online reservations for BLM camping that's offered up and down the river. This is the second year people have been able to reserve camping spots online.

Recently, BLM implemented a year-round fee instead of having a "fee season," which lasted from May 15 to Sept. 15, to help with the increase in costs due to more visitors. Craven said there are signs at each of the BLM campsites that explain why the agency is switching to year-round fees.

The day use and camping fees will stay the same, which are \$5 per vehicle per day and overnight is \$15 per night. The new year-round fee requirement will help pay for garbage collection, cleaning, law enforcement, seasonal

workers, maintenance, and administrative costs. Craven said 300,000 people visit the BLM's four sites within the Yakima River Canyon annually. The agency will compile this year's numbers in September.

Jason Kuehling, 24, and Jordan Mueller, 24, were at the Linnum Recreation Site in the Yakima River Canyon on Wednesday. They are from Seattle, and Kuehling said this is their second time floating on the river. The first time they used Yakima River tubing as a tour guide on how to float the river.

"We're floating today. He lost his wallet last year and they returned it to him," Lewis said. "So we were like, 'We definitely have to come back.'"

Safety first

Craven said one of most important parts of visiting the river and enjoying the outdoors is being safe.

"Research the river you're going on, talk to locals who have been around," he said. "It might be worth getting a guide. Life jackets are one of the things we try to stress to people."

He said the Kittitas County Sheriff's Office urges people to not put in their inner tubes at Ringer Loop or to go lower than Blarney campsite.

Ron Kobler, a mountain patrol deputy and swift-water operator for the sheriff's office, said people who put in their inner tubes at the Ringer Loop boat launch or the KOA,

customers without intruding on the private land in the upper county. "People need to be respectful of that," she said.

She said the river in the upper county is not as calm as the section in the lower county so the guide company warns people away from rafting there since it's not as safe.

Additionally, she said she goes over the danger in the Yakima River

Canyon, talking about where people can be pulled in and encounter debris.

"Everybody has talk misconception. I can only drown if the river is deep or the other one is. If the water is rough I'll drown. Debris — that's what drowns people," she said.

"The other tip is you know how to properly wear (a) flotation vest even if you can swim. I've never seen anybody float on any river that does not go out there without a flotation vest. "I'm huge on safety," she added.

River tourism

Yakima River Canyon RV Park owner Darlene Grant said she's definitely seen an increase in the amount of people who have come to her RV park this year. She's had her RV park for 19 years and is open from April to the end of September.

"We've had six weekends almost full," she said. "We're getting well-known. I really like visiting with the outdoors."

She offers 35 spaces for RVs and quite a few tent spaces for people to rent. She has customers who often come back, not because "a family" to have in July, she put in double

Using those on line booking numbers, and an average of 4 people to a camp site, that's roughly 75,000 paid overnight stays! Conservative math guess even 50% from coastal counties (further than 50 miles away) that's an impressive possible 37,5000 paid overnight visitors in camp sites that have our wineries, vineyards, and tasting room at their door step to enhance their visit, give reason to dine in our downtown communities and purchase additional gas, gifts and groceries. We have seen a significant increase in foot traffic to our facilities from these campers.

ANSWERS TO THE 2017 LODGING TAX FUND APPLICATION

Promoting Kittitas Valley Vintners, their wineries, vineyards and tasting rooms is a Year-Round activity. Our current and future contract with the Chamber of Commerce affords us the buying power of not only the west side, but as far east as the Idaho border. All media is geared towards audiences 50 miles or more away. Additionally, all of our new campaigns strategies have included links, logos and direct access to the Live Life in Color and Discover Cle Elem marketing campaigns, as well as all county farmer market websites, links to visitor's guides and of course to the many overnight accommodation choices of motels, hotels, and camp sites.

One strategy that we have not tried, that we are committed to doing this year is to better educate the front desk staff of local hotels, motels and campsites. It seems that the days of extended concierge services have gone by the way side. Two members of our Association spent two busy weekends this summer promoting our wine trail map to hotel guests within the City of Ellensburg. Guests were happy to have this tourist option and many of them visited us that same day, but more eye opening was the fact 100% of the staff we spoke to, had no idea that a Wine Trail map even existed for Kittitas Valley. We believe that the education of the first points of contact i.e. check-in desk staff is key to furthering wine tourism. With this education in mind, our Association has formed a task force that will personally meet with front line staff to discuss, educate and distribute material regarding all aspects of enhancing a tourist's visit by visiting our vineyards, wineries and tasting rooms. In turn, all vineyards, wineries and tasting rooms will offer information on overnight accommodations, places to dine, shop, and visit.

4. Funding Sources:

Starting with our first grant application in 2015, we began collecting association dues of \$250 per member. 2016 has gained us one new member and as of writing this application, one new wine shop has inquired about joining the association (which would require a policy amendment) and the association in general has had extensive conversation about including micro-breweries in our “tasting trail” – all of this is to further the potential of creating additional tourism activities and/or heading towards self-sufficiency, or if we were to receive less funding, the inclusion of non-wine related entities would be a part of a business cost recovery plan.

But the biggest forward progress of our association this year that will benefit the possibility of seeking further outside funding was filing for and being granted our Washington State Non-Profit status. We have also filed for Federal recognition.

Regarding in-kind monetary sources, three of the seven association members in 2016 have secured the blue Washington State DOT Motorist Information Signs (MIS) “Washington State Tourism” signs.

ANSWERS TO THE 2017 LODGING TAX FUND APPLICATION

These are not signs that advertise fast food, gas or hotels; but rather state approved and appointed TOURIST destinations. The out of pocket expense on these signs would be cost prohibitive for the Vintners Association, but rather it shows a deep commitment by members of our association as having a whole lot off skin in the game. Between these 3 members, we have a total of 9 Tourist signs.

These signs have been proven by WADOT to be an effective way to pull from the 31,000 average daily vehicle trips into the communities where they are located.

Our 9 signs cover exits in both the upper and lower county.

5. Collaboration:

Our word is strong when it comes to a county wide campaign commitment. We are represented at the Roslyn and Ellensburg Famers Market, both by our presence and links to social media. Our individual addresses and community presence is well established in Cle Elum (Swiftwater), City of Kittitas (Thrall & Dodge Winery), and Ellensburg (Gard, Spring Board, Brix, ECW & The Ellensburg Distillery). We are local and we are loyal. We have developed very strong ties in the Valley. Many of us have Barn Quilt Art, we all participate throughout the entire year in the numerous events going on in our area. Kittitas Burn Out, Jazz in the Valley, Rodeo weekend etc. and dedicate one entire panel of our wine trail brochure that lists county wide, year long events.

One noteworthy collaboration is between Thrall & Dodge Winery and Tasting Room and the Brew House Boarding Vacation Rental Suites in downtown Kittitas. Having a tasting room and overnight accommodations in the same building has been a win-win situation. Attached is a letter of support from Brew House Boarding. Please note that the total number of overnight stays for this year totals 76! All guests receive information about our Vintners Association and are encouraged to visit all tasting rooms. The majority of these bookings, said given the choice, they specifically choose these rooms because of the close location to visiting tasting rooms and vineyards as compared to a downtown or county wide accommodation option.

6. Becoming Self-Sustaining:

In the past 2 years we've seen considerable growth within our Vintner's Association. Having just obtained our non-profit status, more doors and greater opportunities are available. We plan to avail ourselves to these opportunities. Examples would be eligible for reduced rate seminars, classes, lectures and on-line webinars.

As an Association we are committed to creating a business plan that includes advancing our business savvy sense. Members of our Association are currently taking advantage of the Lunch and Learn business advice meetings. We will learn who to navigate, update and maintain our own website. We will seek to work with the Chamber to develop a 2-year business plan that would coincide with the 5th year expiration date of this current funding source. Within this business plan, we will identify private partners and seek an event sponsor for a yearly wine experience event such as a winter barrel tasting festival.

We are testing this event this year during the Christmas Festival events the first weekend of December.

7. **Additional Information:**

We have included copies of the brochure that was distributed throughout the state of Washington. We targeted the major population density to maximize the results.

We also included snippets of the TV and Facebook ads that were targeted to the same areas.

In just 2 years, we have seen more and more support from locals. I realize the intent of this grant is to draw people from out of our area. But the more the locals know of us and visit us, every time they have friends and family visit from out of town, they bring them to us. There is no doubt that we are getting the desired affect from our marketing through the Chamber. But equally as important, we are finally being recognized by a group of our peers, fellow small business owners, farmers, educators, etc. that are loyally supporting us year-round. They will continue to bring in their out of town guests because they have firsthand knowledge of our wine trail.

To whom it may concern:

I am writing this letter in support of the Kittitas Valley Vinters. On June 1st of this year, I opened Brew House Boarding, vacation rental suites, on main street in Kittitas, WA. The unexpected success of the business, has a great deal to do with the Kittitas Wineries open to the public for wine tasting.

Thrall & Dodge Winery shares the same building the suites are in. They provide free wine tasting to anyone who books with us. We keep Kittitas Valley Vintners brochures in the room so our guest have the information to continue their wine tasting excursions.

The booking data below is the whole of my bookings since opening on June 1st through pending reservations through the end of 2016. Keep in mind this will increase as we move into the actual months listed. Bookings are often made the same week or within days of a guests arrival. I offer only 2 suites. The below data is for both.
