

# Kittitas County Public Health Office

## Agenda Staff Report

**AGENDA DATE:**

4/4/2017

**ACTION REQUESTED:**

The Board of County Commissioners approves the 2017 Request for Proposals for Information and Education Funds.

**BACKGROUND:**

Kittitas County contracts with the Washington State Developmental Disabilities Administration to provide services to individuals with developmental disabilities in the county. A portion of that contract is dedicated to indirect client services. Kittitas County is currently seeking proposals for informing and educating the general public about developmental disabilities and related services during July 1, 2017-June 30, 2019 biennium. The total funding for proposals is approximately \$40,000.00 annually and is subject to change due to funding availability. Funding is awarded to one or more proposal. The DD program will receive all applications, review with the Disabilities Advisory Committee, and make recommendations to the BOCC who will make final determination.
