

Kittitas County
Prosecutor

Agenda Staff Report

AGENDA DATE:

5/2/2017

ACTION REQUESTED:

Approve resolution granting consent to sublease

BACKGROUND:

The County and CWU entered into a lease for property at the airport in 1992. The lease requires the County's consent before a sublease can occur. CWU wishes to sublease a portion of the subject property to DNR to store a helicopter during the fire season. This appears in the public interest, and so such consent makes sense.

None

RECOMMENDATION:

Approve resolution granting consent to sublease.
