

KITTITAS COUNTY
Board of County Commissioners

AGENDA STAFF REPORT

AGENDA DATE: June 6, 2017

ACTION REQUESTED: Request Boards Signature on Resolution to Reject all bids for Removal and disposal of County owned mobile homes.

BACKGROUND: Kittitas County purchased the Shady brook mobile home park and several trailers. Many of the County owned trailers are vacant and in disrepair.

The County went out to bid and received three bids for the removal of the county owned trailers. When working on documents for a professional service agreement with the low bidder it was found that the insurance limits required for this project were not in the RFP. The limits necessary for this project exceeds the contractor's normal limits and would require an additional expense.

During this time the scope of the project has also doubled in size so it is found to be in the best interest of the county to reject all bids and prepare new bid document.

INTERACTION: Commissioners office, and Prosecutors office,.

RECOMMENDATION: Recommend the Boards signature on the resolution to reject all bids.

HANDLING: Turned signed copy
