Jessica said she would like to be on the board and I will be the alter net, what has to happen to get this done and do I come to the mandatory meeting also? I can come to the meeting also I should.

Hi Mike,

The Board of Equalization will be having their first mandatory meeting on Monday July 17th, 2017 (tentatively scheduled for 9:00 a.m.). Is there anything you would like to discuss with the board or review any of your offices process with the BOE? If you are unable to attend would you please give us possible dates for certification of the county rolls? We know you probably don't have a definite date yet, but just ball park would work for us so we can plan ahead for hearing dates.

Thank you,

Debbie Myers, Clerk

Yes, she indicated to me that she would like to step back so I suggested 'switching places'. ☺

Hi Jessica,

Reta says you would like to switch positions, with you being on the BOE and her in the alternate position. Just wanted to confirm with you before pursuing the paperwork.
