The USMS Prisoner Operations Division has developed a web-based automated process for use by state, local, tribal, territorial and private detention service providers to report basic information regarding the use of restrictive housing for USMS prisoners. This information includes monthly use and duration of restrictive housing, and immediate notification whenever a member of a vulnerable population is housed restrictively. Information about restrictive housing, user account requests and a restrictive housing handbook (with screenshots and workflow descriptions) will be located on the eIGA homepage which can be found at: <https://ows.usdoj.gov/IGA/>. For technical assistance on the Detention Services Network (DSNet) eIGA system, please call the DSNet service desk at 877.633.8457 or email at DSNetservicedesk@leo.gov.
