Agenda Staff Report

AGENDA DATE:
8/17/2010

ACTION REQUESTED:
Adopt resolution allowing IS Managers to share samples of application code.

BACKGROUND:
Application developers freely share samples of application code they have developed. The Internet is repleat with examples of how to write code. Much of our code has been written based upon other's samples. COMPAS, our GIS mapping application is based on code freely shared by ESRI developers and others who have enhanced and extended ESRI's sample code. A developer from Idaho Dept of Lands asked our GIS developer for some specific samples of code used in COMPAS.

INTERACTION:
Idaho Dept of Lands requested sample code.
Stephanie Happold, KC Proscutor's office, has reviewed, revised, and approved the resolution as to form.

RECOMMENDATION:
Information Services recommends and requests the BOCC approve the resolution to allow the exchange of sample code between KC and other application developers.

HANDLING:
Notify IS when the resolution is approved and added to CAMAS.
