

# Kittitas County Information Services

## Agenda Staff Report

**AGENDA DATE:**

8/17/2010

**ACTION REQUESTED:**

Approve the resolution to adopt the revised KC IS policies to allow the Kittitas County Fair to use Facebook and Twitter for Internet communication, as secondary public records, to promote the Kittitas County Fair, and to allow kittitascountyfair.com to link to the Kittitas County Fair sites on Facebook and Twitter.

**BACKGROUND:**

The Kittitas County Fair requested the use of Facebook and Twitter to promote the fair and keep the public informed of fair activities. The IT Committee reviewed the request and sees value in allowing that form of Internet communication as long as the communications through Facebook and Twitter are secondary records of the communication. Each communication will need to be issued as primary records outside of Facebook and Twitter.

**INTERACTION:**

Matt Anderson, Facilities Director, and program director for the Kittitas County Fair, requested the use of Twitter and Facebook. The IT Committee considered the request and recommends approval.

**RECOMMENDATION:**

The IT Committee recommends the BOCC approve the resolution revising the IS policies.

**HANDLING:**

Notify IS when the resolution is approved and uploaded into CAMAS.

**LEAD STAFF:**

Jim Goeben
