**BACKGROUND:**

Sheriff's Deputy Marx damaged a WSDOT guardrail when he lost control of his vehicle in early January 2010. WSDOT has sent us bills for the damage. This does not seem to need to go through the claim filing process as it is a transfer of funds between governmental entities.

Authorize payment of \$876.04 to WSDOT to reimburse them for a guardrail damaged by one of the County's employees.
