**Importance:** High

Good morning, Reno! The garbage and recycle bins (6 garbage and 3 recycle bins) will be provided by our volunteers. Joan Wood, event Chair will be overseeing the completion of these tasks, assuring appropriate use and removal of the bins.

Thanks for forwarding this info to the appropriate sources in completion of our permit process.

Will the permit be mailed to me, or should I plan to pick it up when in town Monday morning when I meet with the Board of Commissioners?

Thanks again, and have a great weekend!
